

# ARNOLD & PORTER'S UNPARALLELED TRACK RECORD OF SUCCESS ON BEHALF OF SOVEREIGN STATES IN INVESTMENT ARBITRATIONS

JANUARY 2026

**Arnold & Porter**

# Arnold & Porter has an unparalleled track record of success in final or potentially final awards and decisions\* on behalf of sovereign States in investment arbitrations.

Specifically, we have obtained positive results in 59 of 63 such awards and decisions, including:

54

Complete Victories<sup>1</sup>

5

Damages Victories

We have obtained favorable results for States in every phase and format of arbitral proceedings in investment arbitrations (including preliminary/expedited objections, admissibility, jurisdiction, merits, damages, revision, annulment, and claim withdrawal).

Over the last 20 years, we have achieved a

94%

success rate in such awards and decisions and a

54%

success rate in awards of costs and/or attorney fees.

In those 59 awards and decisions, Arnold & Porter also has obtained

30

awards of costs and attorneys' fees in favor of our clients.

Our track record of success has been widely recognized in the market:

**" [Arnold & Porter] is a sophisticated, well-oiled machine comprised of a deep talent pool meticulously trained by an extremely knowledgeable and experienced leadership. Their track record of consistently favorable results is quite a testament to their ability to handle complex and sophisticated matters." — Chambers USA"**

\* Our track record encompasses all awards or decisions which, at the time of issuance, constituted a final ruling (or a potentially final ruling, e.g., an award that at the time of issuance was final but still subject to a potential annulment application). Accordingly, the methodology does not include: partial or interim awards, jurisdictional decisions that did not dismiss the claims, or provisional measures decisions (since none of those constitute final overall decisions).

<sup>1</sup> "Complete Victory" is defined as full dismissal of all claims on the merits, jurisdiction, admissibility, and/or other grounds.

“Undoubtedly the “go-to” firm for State-side representations in the wake of an peerless track record of 48 (out of 49)[**now 59 out of 63**] positive outcomes...”
