The only set of its kind! A joint venture of Thomson Reuters and the New York County Lawyers Association, this set features the work of 182 expert authors, including many of the best commercial litigators and judges in New York state. It is the definitive reference work for lawyers and judges working in the commercial, financial, and banking capital of the United States.

Enhanced with 22 new chapters, revisions to the 105 chapters carried forward from the Third Edition, and discussion of hundreds of new cases, this seminal work has been completely revised and expanded. The set features comprehensive coverage and current analysis of substantive and procedural law in commercial cases to help you develop a successful litigation strategy.

This means you'll benefit even more from the knowledge, analysis, and experience of many of New York's most respected judges and practitioners.

You'll find:

- Helpful strategies for each step of a case, from investigation through pleadings, discovery, motions, trial, appeal, and enforcement of judgment
- Treatment of litigation streamlining, technology, and management by both law firms and corporations
- Extensive coverage of discovery procedures and strategy, including such topics as depositions, document requests, discovery of electronic information, interrogatories, and requests for admission
- Nine chapters covering every aspect of trial procedures, techniques, and strategies

- Comprehensive treatment of remedies, including rescission, specific performance, compensatory and punitive damages, and more
- Forms and jury charges in print and on CD-ROM to facilitate document preparation and drafting

You'll get 53 substantive law chapters on such important areas as the law of insurance, banking, and contracts. New chapters cover such additional topics as:

- Social media
- Internal investigations
- Preliminary and compliance conferences and orders
- Negotiations, mediation and other nonbinding ADR, arbitration, and international arbitration
- Securitization and structured finance
- Derivatives
- Land use regulation

The text includes thousands of citations to current cases, statutes, and rules. You'll also get an appendix containing tables of laws, rules, and cases, plus an index.

Components: Eight hardbound volumes, one softbound volume, one forms CD-ROM.

Update Frequency: Hardbound volumes updated annually; softbound volume and CD-ROM replaced annually.
